PROFILE

MORE ABOUT ME (PDF) →

*A driven **Front-End Developer**, who thrives on delivering high-end solutions for e-commerce clients. Gained over 10 years of professional experience at building and maintaining e-commerce websites **based on Magento 2** for numerous French, British, Italian and Polish brands preceded by many years of **JavaScript, PHP, HTML** and **CSS** coding as a hobby and freelance. Has a strong understanding of design principles and how to apply them to the web. Ensures that work is accessible to all users, regardless of their abilities or the devices they use. A great team player willing to share knowledge with the team. Has a good communication skill, ability to speak and write freely in English. A fast learner who is always seeking opportunities and learning possibilities. Has recently become interested in **ReactJs**, **TypeScript** and **TailwindCss** - and would like to develop a career in them.*
